## INDEX 2019

## INDEX OF SUBJECTS AND INDEX OF AUTHORS

### FOCUS

The humanitarian-development-peace nexus	1/2019
Closing the data gap	2/2019/I
Plant breeding for food security	2/2019/II
Multi-stakeholders for better food systems	3/2019
Forests under threat	4/2019

## SUBJECTS

	PAGE	ISSUE		PAGE	ISSUE
<b>Agriculture</b>			<b>Forestry/ Forest conservation</b>		
Returning to agriculture – the case of Haiti	29	01/2019	Give forests the attention they deserve	4	04/2019
Better coordination through contract farming	13	03/2019	“Forestry protection and conservation are very much about what you love” – Interview with Wanjira Mathai	6	04/2019
Many players, one goal – the Green Innovation Centre in India	25	03/2019	Reaching zero deforestation in supply chains – why we need a jurisdictional approach	9	04/2019
Making poultry great again!	31	03/2019	Benefits beyond carbon – fifteen years of REDD+	12	04/2019
Andaman Islands farmers take on climate-adaptive solutions for agriculture	35	04/2019	How to preserve the multifunctionality of forested landscapes?	16	04/2019
<b>Climate change</b>			First regreen mindscapes, then landscapes. FMNR – a success story	19	04/2019
Monitoring climate change in “data-scarce regions”	13	02/2019/I	Africa is taking ecosystems and landscape restoration in its own hands – the AFR100 Initiative	22	04/2019
Andaman Islands farmers take on climate-adaptive solutions for agriculture	35	04/2019	Greening the desert – the Serapium Forest Project in Egypt	24	04/2019
Can forest restoration solve climate change? New modelling approaches to support complex decisions	38	04/2019	Transforming community forestry policy and practice – a case study from Tanzania’s charcoal sector	26	04/2019
<b>Development cooperation/ Development policy</b>			Can forest restoration solve climate change? New modelling approaches to support complex decisions	38	04/2019
Putting the nexus into practice – the EU’s humanitarian perspective	14	01/2019	Rainforest protection with contrary effects. High transaction costs can jeopardise the successful implementation of REDD+	40	04/2019
The strategic dimension of the humanitarian-development gap – conceptual claims and empirical evidence	35	01/2019	Land prices and expected deforestation in Brazil – the role of infrastructure and forest conservation policy	42	04/2019
The private sector and development cooperation – two unequal partners in the promotion of agriculture	41	01/2019	<b>Food security/ Nutrition</b>		
“Divorced from reality” – A critical analysis of German NGO attitudes towards rural development in Africa	18	02/2019/II	Building resilience to food crises – an integrated approach from Mali	27	01/2019
A response to the article “Divorced from reality”	37	03/2019	How “supermarketisation” affects nutrition and health in Kenya	25	02/2019/II
Our village – creating endogenous growth in Cameroon	42	03/2019	The Food Security Standard (FSS) – addressing the Right to Food in sustainability standards and certification	32	04/2019
<b>Data availability</b>			<b>Food systems/ Multi-stakeholder action</b>		
Data access and management – where do we stand?	4	02/2019/I	Talking about food systems – a paradigm shift?	6	03/2019
Data – a lethal weapon against hunger	7	02/2019/I	Sustainability standards, traceability and certification	10	03/2019
Of facts and biases – a brief review of the debate on statistics in Africa	10	02/2019/I			
Monitoring climate change in “data-scarce regions”	13	02/2019/I			
The Agricultural Census in Palestine	16	02/2019/I			

## SUBJECTS

	PAGE	ISSUE		PAGE	ISSUE
Better coordination through contract farming	13	03/2019	<b>Private Sector/ PPPs</b>		
ICT – connecting the food system	16	03/2019	The private sector and development cooperation – two unequal partners in the promotion of agriculture	41	01/2019
Does Fairtrade benefit farmers and rural labourers in Africa?	19	03/2019	Using forest wastes to produce bio-charcoal – a sustainable business model for community forests in Nepal	22	02/2019/I
Enhancing water productivity by using a “push-pull-policy” approach in Asia and Africa	22	03/2019	Private sector development and international trade in The Gambia	34	03/2019
Many players, one goal – the Green Innovation Centre in India	25	03/2019	<b>Rural development</b>		
Access for women – building up a system of rural private service providers	28	03/2019	Rural governance – a precondition for inclusive and sustainable rural transformation	38	01/2019
Making poultry great again! – Rural youth in Nigeria	31	03/2019	The true price of gold. Mining in Tanzania’s North threatens the life of the rural population	19	02/2019/I
Private sector development and international trade in The Gambia	34	03/2019	Embracing change – how family farmers can face the future. CIMMYT and CABI heads discuss prospects	22	02/2019/II
<b>Gender</b>			Our village – creating endogenous growth in Cameroon	42	03/2019
Promoting children’s rights and gender equality. Plan International’s Lake Chad Programme	24	01/2019	<b>Social protection</b>		
Access for women – building up a system of rural private service providers	28	03/2019	Fighting farmer suicides in India through a helpline	39	03/2019
The invisible wall of the Beijing space. Reflections on 25 years of the Beijing Declaration and Platform for Action	29	04/2019	<b>Trade</b>		
<b>Governance</b>			How “supermarketisation” affects nutrition and health in Kenya	25	02/2019/II
Rural governance – a precondition for inclusive and sustainable rural transformation	38	01/2019	Does Fairtrade benefit farmers and rural labourers in Africa?	19	03/2019
<b>Health</b>			Private sector development and international trade in The Gambia	34	03/2019
Dignifying sanitation services for the Rohingya refugees in Cox’s Bazar Camps	32	01/2019	<b>Water</b>		
<b>Livestock</b>			Enhancing water productivity by using a “push-pull-policy” approach in Asia and Africa	22	03/2019
The silent sheep revolution in Kashmir	25	02/2019	<b>Youth</b>		
Making poultry great again! – Rural youth in Nigeria	31	03/2019	Making poultry great again! – Rural youth in Nigeria	31	03/2019
<b>The humanitarian-development-peace nexus</b>					
Joining what belongs together? The triple nexus and the struggle for policy synthesis	6	01/2019			
A path to peace and stability – the WFP’s view	11	01/2019			
Putting the nexus into practice – the EU’s humanitarian perspective	14	01/2019			
Closing the gap – the German perspective on the nexus	17	01/2019			
Doing nexus differently. Lessons from the Middle East and North Africa	21	01/2019			
Promoting children’s rights and gender equality. Plan International’s Lake Chad Programme	24	01/2019			
Building resilience to food crises – an integrated approach from Mali	27	01/2019			
Returning to agriculture – the case of Haiti	29	01/2019			
Dignifying sanitation services for the Rohingya refugees in Cox’s Bazar camps	32	01/2019			
The strategic dimension of the humanitarian-development gap	35	01/2019			
<b>Plant breeding</b>					
How plant breeding helps to feed the world	6	02/2019/II			
Interfacing conventional and modern approaches to speed up and focus plant breeding	9	02/2019/II			
Nerica – tailor-made innovation for Africa’s rainfed rice ecology	13	02/2019/II			
The EU ruling on plant breeding and what it means for Africa	16	02/2019/II			
“Once again, Africa is used as a justification to push for bad legislative change in Europe”	30	04/2019
